### COMMUNITY SERVICES

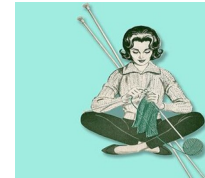

Did you study in your home country and are unsure how to re-validate your diploma in the United States? Please join us to receive more information on how to make your documents official in the US.

Are you interested in continuing your studies and finishing your high school education? We are inviting all Palestine

ISD parents to register for GED Classes. Classes will be held on Tuesdays and Thursdays at 5 pm in High School Room 205.

Palestine ISD invites all parents to register for knitting classes. Classes will be held on Wednesday at 6 pm, in High School Room 222.

For more information about the courses call at 903-731-8000 ext. 1266 (Spanish); 903-727-2627 ext. 4004 (English).

Do you know how your child is doing at school, if they are doing homework or turning in assignments? Do you know how you can monitor your student's progress? Don't wait for their report card to come at the end of each six weeks. Contact your site coordinator and they will guide you on how to access the Skyward online grade book and stay up to date on your child's achievements.

These are just a few of the questions and concerns the TACE center can assist you with. Please let us know how we can better help your family.

We are here to serve and help all parents of Palestine ISD.
